# National Days of Urban Transport

A Conference to define a Roadmap...

# National Days of Urban Transport

... Through a  
participatory  
process...

And if we ...

I disagree

I think ...

You said ...

I agree on  
The first point,  
but ...

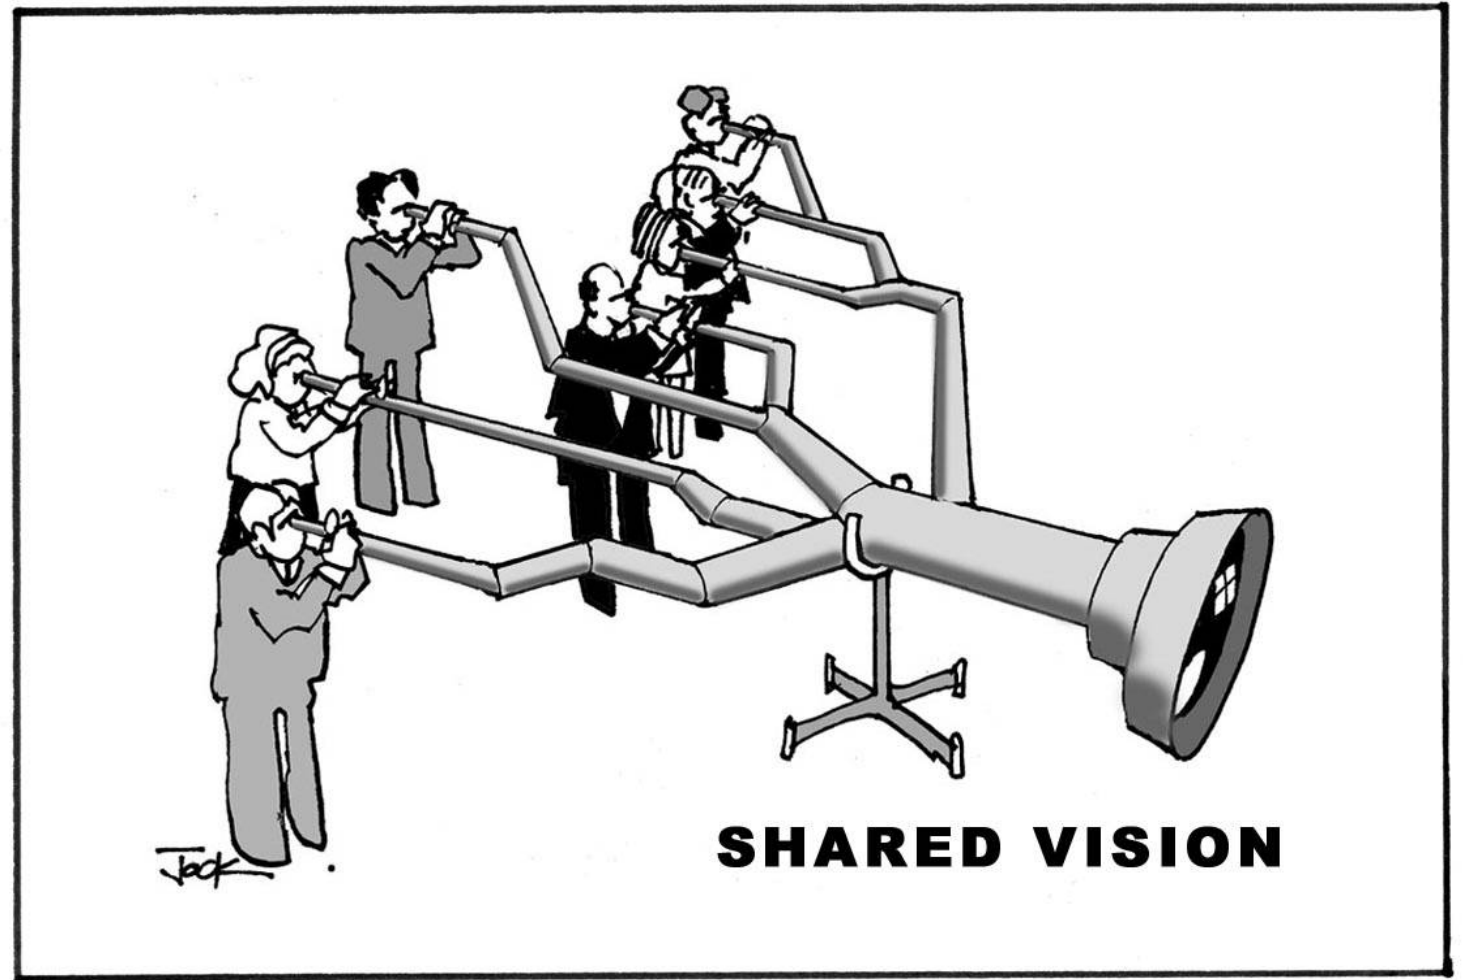

Do you ...

And what about...

It's true !

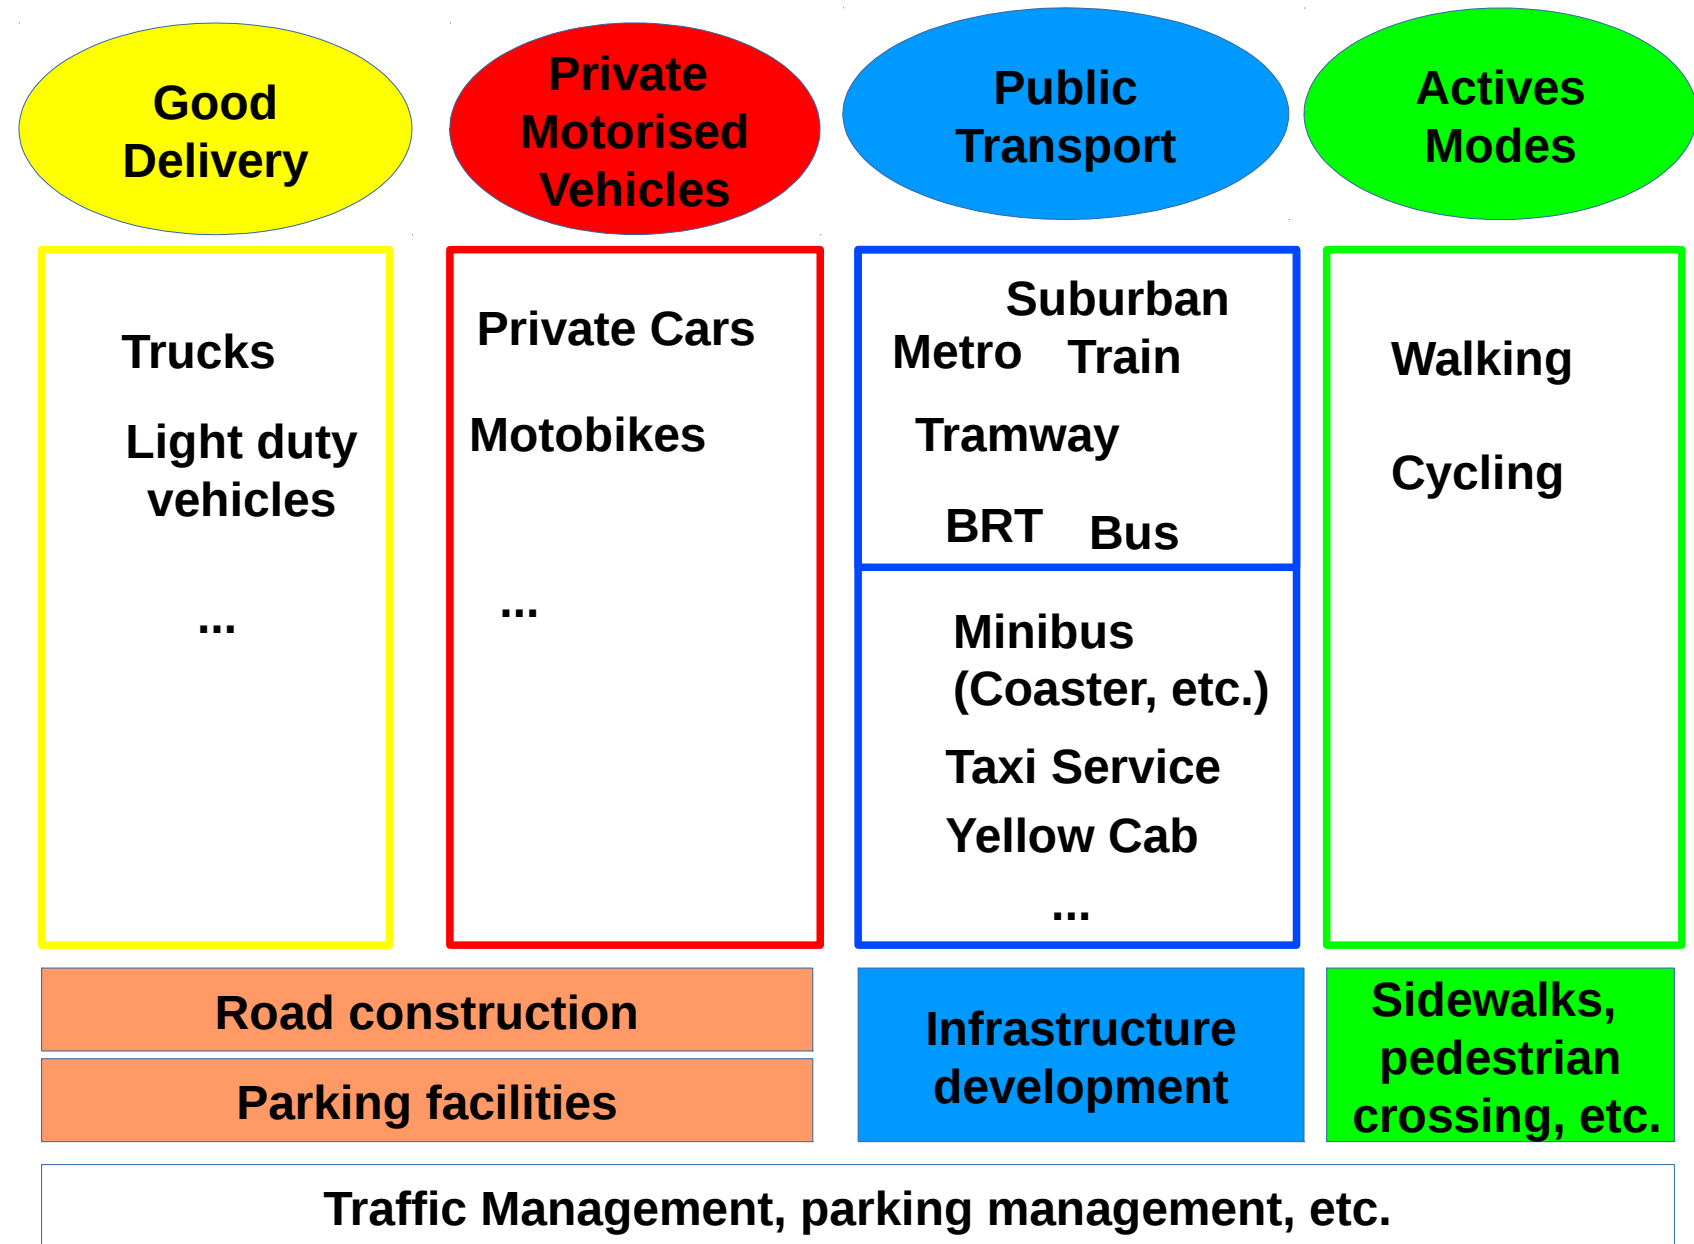

# National Days of Urban Transport

... in order to  
have a shared  
vision on the  
next steps !

# What is Urban Transport ?

A system composed by different transport means meeting (or not) mobility needs

# National Days of Urban Transport : a participatory conference to define a Roadmap

- **Interventions from the stage** (in arabic or in english) :
  - 15 minutes for each speakers
  - in order to keep 45 minutes of debate for each session.
- **Interventions from the audience** (in arabic or in english) : 2-3 minutes maximum in order to give the possibility to each of us to participate.
- **Expression through pieces of papers** :
  - for each session : each us will write what he or she consider as the two main challenges (one paper = one challenge) : maximum 2 papers / pers.
